SUBJECT: Regional Tip and/or Complaint - Illinois

Name: Non-Responsive

State: Illinois

Alleged Violator's Name: Metra

Alleged Violator's Address: Union Station to South Canal St. in the south loop of Chicago

Alleged Violator's City: Chicago

Alleged Violator's State: Illinois

Alleged Violator's Zip: 60607

Tip or Complaint: Metra is exhausting diesel engine exhaust fumes around the South Loop south Canal where I used to work which was exposing me to toxic chemicals walking to work and while I was eating outside.

Specific Directions: From Union Station all the way down South Canal Street behind Northern Trust Corp is where they exhaust the fumes daily. I believe this is pollution and might be against city laws. While working there I was not warned that they exhausted fumes right next to where I ate lunch. There is also a day care center with an outside opening around where Metra allows these exhaust fumes to occur. There is no warning given to the Employer that they are doing this and all of this is tough to breathe at times.
